

From the Principal's Desk

Happy New Year! I hope you enjoyed quality time with your family and friends during our semester break. We are excited about all the wonderful things on the horizon for our students at Kemp Elementary. All of our students and teachers are focused on teaching and learning, and we encourage you to stay connected with your child's teacher during this semester. Teachers send home red communication folders bi-weekly. Should you need to contact your child's teacher, email is the most efficient way to communicate, and all email addresses can be found on our school website.

Parents, it's not too late to join our PTA and VIP parent groups. These groups are designed to give parents an opportunity to actively participate in their child's academic and social lives here at Kemp Elementary. We need your input in order to make Kemp Elementary an excellent place to teach and learn!

As always, please know that I have an open door policy. Please feel free to call, email or stop by Kemp to discuss any concerns or questions you may have. We are all here to ensure that our Kemp scholars are college and career ready!

Educationally Yours,

Zsa Zsa Blue Davis

Principal
