P.A.W.S Virtual Learning Behavior Matrix

Koala Prepared	Koala Attentive	Koala Wise	Koala Safe
<p>Log in on time with a fully charged device</p> 	<p>Complete tasks on time</p> 	<p>Use the chat feature responsibly</p> 	<p>Use of appropriate language and images only</p>
<p>Create a space to complete assignments</p> 	<p>Make yourself visible and be present and actively engaged</p> 	<p>Mute your mic unless you are speaking</p> 	<p>Maintain an appropriate background</p> 
<p>Have necessary supplies readily available and organized</p> 	<p>Minimize distractions</p> 	<p>Attend live lessons daily</p> 	<p>Use kind words and respect other's ideas</p> 

What is K4 P.A.W.S.

Kemp Elementary School's
Implementation of the PBIS
Framework.

K4

Koala's are prepared, **K**oala's are attentive, **K**oala's are wise and **K**oala's are safe.

Our students are always aiming to be better Koala's each day by adhering to school-wide expectations and exhibiting appropriate behavior.

P.A.W.S.

We are constantly modeling and explicitly teaching our students expected behaviors in being **P**repared, **A**ttentive, **W**ise and **S**afe.

Instruct Model Practice Feedback Positive Reinforcement

Instruct, model, practice, feedback, and positive reinforcement are all used to ensure our students know and understand the expected appropriate behaviors. Students are rewarded based on meeting expected behaviors and support them when these expectations are not met.
