

Message from the Principal, Mrs. Davis

April 2, 2020

Good afternoon Kemp Elementary Parents. I pray that you are doing well during these trying times. As you know Governor Brian Kemp has closed all public schools in Georgia for the remainder of the school year.

While our buildings are closed, learning will and should continue for the 6 weeks after Spring Break. In order for students to be ready for the next school year, they must remain engaged and continue to practice their reading, writing and math skills. While this is new to all of us, it is an amazing opportunity for students to learn and grow in the comfort of their own homes with the support of qualified teachers and loving caregivers.

Please parents, do all you can to ensure that your child is completing their online assignments and taking advantage of every learning opportunity available. What they do in the coming weeks will have a huge impact on their success at the next grade level.

As always, thank you for your continued support and be safe.
