

Message from the Principal, Mrs. Davis

April 13, 2020

Good Day Kemp Elementary Parents. I pray that you and your family are staying healthy and that you enjoyed your Spring Break This is just a reminder that online learning will resume Monday, April 13th.

Students should check their emails and Google classrooms for weekly assignments. Learning packets for the week will be available outside of Kemp Elementary at 8 am on Monday, April 13th for those without internet access or an electronic device.

Parents, please check our school website regularly for information regarding grading, online learning expectations and returning learning packets. You can also reach out to me, our assistant principal, the counselor or your child's teacher using our email addresses found on the school website.

As always parents, thank you so much for your support as we continue to set high expectations for our scholars. Have a blessed day.
