

## **Message from the Principal, Mrs. Davis**

**April 20, 2020**

Good evening Kemp Elementary Parents. I pray that you and your family members are doing well. Thank you so much for all that you did this week to support your students as they completed their online assignments. We understand that in these times, we are all doing the best we can to keep our children healthy and secure, so any extra you can do is truly appreciated.

We encourage students who can, to continue to engage in online learning as this provides the most support and feedback from teachers which will likely improve students' success next year.

Learning packets have been reserved only for students without internet access and will be available for the week of April 20 – 24 on Monday, April 20<sup>th</sup>. Again, thank you parents for leaving these packets for those without internet access.

As always, thank you for your support as we continue to set high expectations for our scholars at Kemp Elementary. Have a blessed evening.
