August 1, 2023

Dear Parents and Students,

I would like to welcome you back for the 2023-2024 school year. I hope you had a relaxing summer, and you are excited about the beginning of the new school year. We are looking forward to a fun-filled and engaging school year.

On behalf of the staff at Kemp Elementary, I want to thank you for giving us the opportunity to meet your child's educational needs. Our theme for the year is ***KES Airways, Where Learning Takes Flight***. We will be working hard to ensure that our scholars are deliberately building social and emotional skills that will allow them to soar personally and academically. Our teachers will address students' academic needs by implementing high impact practices like CLOSE reading, evidence-based writing, academic discourse and higher-order questioning. I am extremely confident that our students will have a productive journey this year.

As we take learning to new heights, we want to encourage you to support your child's learning at home. To that end, it is important that your child exercises their academic muscles by always trying their best and never giving up. Scholars can only grow when they prepare, practice and persevere. Teachers can only offer support when scholars demonstrate what they know and can do.

If you have not done so, please create a parent account in Infinite Campus so that you can monitor your child's performance and attendance. The directions for creating an IC account can be found on the district's website. In addition, please sign-up for ClassDojo and visit our school's website regularly at <http://127.clayton.k12.ga.us>

Again, welcome to the new school year. I look forward to working with all of you as we continue to set high expectations and take flight at Kemp Elementary.

Educationally Yours

Zsa Zsa Davis

Principal
